

ENVIRONMENTAL PROTECTION NOTICE

NOTICE OF INTENT TO ISSUE AMENDED OPERATIONAL CERTIFICATE 5050 UNDER THE PROVISIONS OF THE *ENVIRONMENTAL MANAGEMENT ACT*

Take notice that the Director intends, a minimum of 30 days after the date of publication of this notice, to issue AMENDED OPERATIONAL CERTIFICATE (OC) 5050 to the COMOX VALLEY REGIONAL DISTRICT (CxVRD) for the existing COMOX VALLEY WASTE MANAGEMENT CENTRE located at 3699 Bevan Road, Cumberland.

The draft amended OC is in accordance with the approved CxVRD Solid Waste Management Plan and proposes:

1. Increase discharge of treated leachate from 250m³/day to 275m³/day.
2. Increase the discharge of municipal solid waste to the landfill from 65,000 tonnes per year to 80,000 tonnes per year.
3. Other administrative changes including legal address, site boundaries, and additional infrastructure and closed works.

The amendment does not propose any increase to the landfill footprint area.

The draft amended OC is available on the CxVRD website at:

<https://www.cswm.ca/garbage/comox-valley-waste-management-centre>

Within 30 days after the date of publication of this notice, any person may send comments to the Director, respecting the requirements of the draft amended OC, via email, with the subject line referencing authorization 5050, to: envcia@gov.bc.ca with a copy to the CxVRD at:

CSWM@comoxvalleyrd.ca
